## Consent

By using the Art Pay website or application, you confirm that you have thoroughly read and understood our Cryptocurrency Staking Agreement and Privacy Policy. Your use of our services signifies your agreement to these terms and your commitment to adhere to them. If you do not agree with any of these terms, please refrain from using our website or application.

## Information We Collect

We collect personal information from you when you create an account on our app or when you use our services. This may include:

- Your cryptocurrency wallet addresses and balances
- Your transaction history
- Your IP address and device information, such as your operating system and browser type
- Other information you provide to us, such as feedback or support inquiries
- Your payment information. If you make purchases or engage in transactions on our platform, we may collect information related to your payment method, such as credit card numbers or bank account details
- Your usage data. We may collect information about how you interact with our app, including the features you use, the time you spend using the app, and other behavioral data.

## How We Use Your Information

We use your personal information to provide you with our Art Pay services and to improve our products and services. This may include:

- Processing your transactions and providing you with transaction confirmations
- Communicating with you about your account or our products and services
- Customizing our products and services to your preferences
- Conducting research and analysis to improve our products and services
- Preventing fraud and protecting the security of our customers and our company
- Providing customer support and responding to inquiries and complaints.

- Sending you promotional materials and notifications about updates or new features.
- Ensuring compliance with applicable laws, regulations, and legal processes.

## **How We Share Your Information**

We do not sell or rent your personal information to third parties for marketing purposes. However, we may share your personal information with third parties in the following circumstances:

- With service providers who help us operate our business, such as payment processors or fraud prevention companies
- With our affiliates or partners who offer complementary products or services
- With law enforcement or government agencies to comply with legal requirements or prevent fraud or illegal activities
- With your consent or at your direction
- We may share your personal information with our professional advisors, such as lawyers, compliance officers and accountants, where necessary to obtain advice or protect our business interests.

## **Obligations on minimum replenishment amount**

The User is obliged to replenish the balance of his account only with amounts equal to or exceeding the minimum allowed value set by the Administration of the site/service. In case of replenishment of the account with the amount less than the specified minimum value, the funds will be considered lost without the possibility of return or crediting to the account balance. The User confirms his/her agreement with this condition and realizes all risks associated with non-compliance with this requirement.

## **Data Retention**

We retain your personal information for as long as necessary to fulfill the purposes for which it was collected, to comply with our legal obligations, resolve disputes, and enforce our agreements. The specific retention periods depend on the nature of the data and the purposes for which it was collected.

## **Data Security**

We take reasonable measures to protect the security of your personal information, including encryption and

authentication technologies. However, no security measures can guarantee absolute security, and we cannot guarantee the security of your personal information.

## **Cookies and Tracking Technologies**

We use cookies and similar tracking technologies to collect and use personal information about you. This information may be used to understand how you use our services, track your preferences, and improve our offerings.

## **User Obligations and Responsibilities**

You agree to provide accurate and up-to-date information when creating an account and using our services.

You are responsible for maintaining the confidentiality of your account credentials and for all activities that occur under your account.

You agree not to engage in any activities that are illegal, harmful, or interfere with the operation of our services.

## **Your Choices and Rights**

You have certain choices and rights regarding your personal information. You can:

- Access and update your personal information by logging into your account or contacting us
- Request that we delete your personal information, subject to legal requirements and our business needs.

## **Limitation of Liability**

We are not liable for any indirect, incidental, or consequential damages arising out of or related to your use of our services.

## **GDPR Data Protection**

We recognize the importance of protecting your personal data and comply with the General Data Protection Regulation (GDPR). As a user, you have the following rights regarding your personal data:

1. **Right to Access:** You have the right to request a copy of the personal data we hold about you.

2. **Right to Rectification:** You have the right to request the correction of any inaccuracies in your personal data.
3. **Right to Erasure:** You have the right to request the deletion of your personal data under certain circumstances.
4. **Right to Restrict Processing:** You have the right to request the restriction of the processing of your personal data in specific situations.
5. **Right to Data Portability:** You have the right to receive your personal data in a structured, commonly used format.
6. **Right to Object:** You have the right to object to the processing of your personal data in certain situations.
7. **Right to Avoid Automated Decision-Making:** You have the right not to be subject to decisions based solely on automated processing.

If you wish to exercise any of these rights, please contact us using the contact information provided on our website. We will respond to your request in accordance with the GDPR requirements.

## **Age and Right to Create Accounts**

### **International Laws and Regulations.**

In accordance with the Children's Online Privacy Protection Act (COPPA), children over the age of 13 can independently create accounts, and the platform is obligated to comply with privacy and data protection rules.

### **Platform Policy and Registration**

The platform may allow registration for users over 13 years old, but according to the terms of use, certain actions (e.g., staking, sales, purchases) may require the consent and participation of a parent or guardian.

### **Role of Parents and Legal Responsibility**

To ensure legal protection and compliance with legal requirements, the platform requires written consent from parents or guardians for children over 13 and under 18 years old to sell their works, art pieces, or paintings for fiat or cryptocurrency. In some cases, the account may be registered in the name of the parent or guardian, and the child will use the platform under their supervision.

## **Changes to This Privacy Policy**

We may update this Privacy Policy occasionally to reflect changes in our products, services, or legal requirements. We will notify you of any material changes by posting a notice on our website or sending you an email.
