

## **Information We Collect**

We collect personal information from you when you create an account on our app or when you use our services. This may include:

- Your cryptocurrency wallet addresses and balances
- Your transaction history
- Your IP address and device information, such as your operating system and browser type
- Other information you provide to us, such as feedback or support inquiries.

## **How We Use Your Information**

We use your personal information to provide you with our Art Pay services and to improve our products and services. This may include:

- Processing your transactions and providing you with transaction confirmations
- Communicating with you about your account or our products and services
- Customizing our products and services to your preferences
- Conducting research and analysis to improve our products and services
- Preventing fraud and protecting the security of our customers and our company.

## **How We Share Your Information**

We do not sell or rent your personal information to third parties for marketing purposes. However, we may share your personal information with third parties in the following circumstances:

- With service providers who help us operate our business, such as payment processors or fraud prevention companies
- With our affiliates or partners who offer complementary products or services
- With law enforcement or government agencies to comply with legal requirements or prevent fraud or illegal activities
- With your consent or at your direction.

## **Obligations on minimum replenishment amount**

The User is obliged to replenish the balance of his account only with amounts equal to or exceeding the minimum allowed value set by the Administration of the site/service. In case of replenishment of the account with the amount less than the specified minimum value, the funds will be considered lost without the possibility of return or crediting to the account balance. The User confirms his/her agreement with this condition and realizes all risks associated with non-compliance with this requirement.

## **Data Security**

We take reasonable measures to protect the security of your personal information, including encryption and authentication technologies. However, no security measures can guarantee absolute security, and we cannot guarantee the security of your personal information.

## **Your Choices and Rights**

You have certain choices and rights regarding your personal information. You can:

- Access and update your personal information by logging into your account or contacting us
- Request that we delete your personal information, subject to legal requirements and our business needs.

## **Changes to This Privacy Policy**

We may update this Privacy Policy from time to time to reflect changes in our products, services, or legal requirements. We will notify you of any material changes by posting a notice on our website or sending you an email.
